	Data reported by waste producers/holders into the database EPR
	Data reported by waste collectors into the database EPR
	Combination of the data reported by waste producers/holders and waste collectors into the database EPR
	Combination of the data reported by waste producers/holders and waste treatment facilities into the database EPR
	Data reported by waste treatment facilities into the database EPR and additionally collected data
	Combination of the data reported by waste producers/holders and waste treatment facilities into the database EPR and data on transboundary movement of waste
	Combination of the data reported by waste producers/holders, waste collectors and waste treatment facilities + estimations
	Combination of the data reported by waste producers/holders, waste collectors and waste treatment facilities + data on transboundary movement of waste + estimation
	Data reported by waste producers/holders + estimations
	Estimation
	Combination of the data reported by waste producers/holders and waste treatment facilities into the database EPR, and results obtained by statistical survey
